

ORDERING PROVIDER

You understand that you may be assigned an authorized provider for the purpose of enabling CDR Health Care Inc., and its subsidiaries and affiliates (herein “CDR”), to provide certain health care services, including immunizations or ordering of tests (herein the “Services”). You hereby agree and understand that any authorized provider (e.g., physician or other healthcare professional) assigned to you for such purposes and listed as an Ordering Provider, will serve in the sole capacity and for the limited purpose of enabling the performance of Services. Such authorized provider is not your physician or healthcare professional for any other purpose, is not required to and shall not provide you with any healthcare services or provide any follow up care and will not contact you or provide you with any information regarding the Services. You are solely responsible for consulting with your own physician or other healthcare professional regarding any follow up care that may be required.
